Hess' Nurseries

Mountain View, N. J.

P. O. Box No. 52

Telephone : Mountain View 107-J

Member:

American Association of Nurserymen

Eastern Nurserymen's Association

New Jersey Association of Nurserymen

LOCATION :

One mile East of Mountain View, 3 miles West of Paterson on Totowa Road. Visitors coming from New York take D., L. & W. or Erie Railroads to Mountain View, coming from Newark take Butler Bus to Mountain View and follow Preakness Ave. to the Nursery. We are 10 miles from Newark, 20 miles from New York City. If notified in advance we will meet intended visitors at either Mountain View or Paterson, N. J.

T E R M S :

Usual terms as established by American Association of Nurserymen to those of established credit; unknown correspondents kindly remit cash with order or submit references. No goods send C. O. D. unless 25% of amount is send with order.

Evergreens Seedlings for lining out.

These are two year old, except as otherwise noted, where ever possible we make it a practice to give size of seedlings.

We grade all seedlings, assuring customers a uniform grade.

		100	1000

Transplanted Evergreens

Our transplants should not be compared with bedded stock, where the plants have little room for development. All our transplants are grown in field rows, where they receive continuous cultivation during the growing season. You will find them stocky and well rooted.

	100	1000
Abies firma	6-8 in.	\$12.50
Picea ajenensis	3-4 "	10.00
Picea alcockiana	4-6 "	10.00

Thuja occidentalis	4-6 "	5.00
Thuja orientalis	6-8 "	5.00
Thuja orientalis	8-10 "	7.50
		60.00

Besides the above we have a nice lot of transplanted field grown cuttings and grafts. If interested send us your list of requirement for special quotations.

Understocks.

We grow and select these specially for grafting; all are of course transplanted. They are of the same grade as we use in our own grafting.

	100	1000
Cornus kousa	\$10.00	\$75.00

We have found this a superior stock for *Cornus florida rubra*, due to its better root system; it also gives a more vigorous growth to the grafts. If you have never tried them, give them a trial.

<i>Cryptomeria japonica</i>	\$12.50	\$100.00
<i>Picea excelsa</i>	7.50	65.00
<i>Pinus excelsa</i>	10.00	75.00

We use the above for *Pinus cembra*

<i>Pinus densiflora</i>	6.00	50.00
-------------------------	------	-------

The only satisfactory stock for *Pinus tanyosho*.

<i>Thuja occidentalis</i>	7.50	65.00
<i>Thuja orientalis</i>	6.00	50.00

We are booked on Japanese Maple and *Juniperus virginiana*, and are now booking for fall 1929 delivery. Write for prices.

Grafted Stock.

All our grafts are worked on transplanted understock and are supplied out of 2½ inch rose pots. We aim to graft only such varieties as we have orders for and would suggest placing orders as far in advance as possible. We have practically every variety of understock on hand and can graft any variety wanted where customer is in position to supply the variety wanted. We made an allowance where scions are supplied by customer. Delivery is usually made after April 15th.

	100
<i>Biota aurea nana</i>	\$25.00
<i>Retinospora obtusa gracilis</i>	30.00
<i>Retinospora filifera aurea</i>	30.00
<i>Juniperus virginiana Burki</i>	35.00
<i>Juniperus virginiana Fortunei</i>	35.00
<i>Juniperus virginiana Glauca</i>	35.00
<i>Juniperus virginiana Keteleeri</i>	35.00
<i>Juniperus chinensis argentea variegata</i>	35.00

Evergreens for landscape planting.

We intend to supply these only to those of our customers who are within trucking distance of our nursery. We do not pack B & B evergreens for shipment. For long distance shipment we recommend carload lots only, which of course can be made up of assorted varieties. Prices quoted include B & B. We use Holland Nursery Burlap exclusively.
